ARCHDIOCESE OF BOSTON
CYO ATHLETICS
FORM NTP

Since parish is a spiritual entity and membership does not rest solely with geographics, the CYO program offers this opportunity for youth to participate. However, it is important to remember that youth are not allowed to play for a parish if it is his/her only connection with the parish. This would detract from the fair sense of play among all the parishes of the Archdiocese.

I, _____priest stationed at

_____Parish attest to the fact that

_____who will play on our

_____basketball team this winter,

does not geographically live within our parish boundaries but, with his/her family, is indeed a parishioner here because of his/her involvement. His/Her family is involved in our parish life in the following ways (e.g., CCD, membership in parish organizations, altar server, programs of sacramental preparation, family activities.)
