

2009 Kujenga - Viongozi Workshops

Please choose one (1) workshop below and put the number on your registration form.

1) “Oh God, How do I recognize Your Call?”

-Do you feel like your being called to serve the church? Are you searching for your purpose or your niche in life? Wondering what you might do when you're older? Come and find ways to realize life's calling and what God has in store for you. God does not call the qualified, but qualifies the call.

2) “And When They saw Him, They offered Him Gifts” Mt 2:11

-Got talent? Not sure how to use them or share them with others. Ever wonder how to realize the talents that are within you? Come find ways to draw your talents from within, how to express them and offer them to God and his people.

3) “The Road Less Traveled”

-Having difficulty making good decisions? Wondering how to tell the difference between good choices and bad ones. Do you find yourself just following the crowd? Come and learn the art of good decision-making and how the less traveled road may be the right one for you.

4) “I know my Sheep and My Sheep know Me”

-Have you wondered who is God for you? Do you find it difficult to recognize him in an uncertain world? Have you struggled to notice him in your daily lives? Come and seek how to recognize the presence of God both within and around you.

5) “Yes Lord, I come to do Your will”

-Everyone can lead because everyone can serve. Come and find out ways to serve your family, your church, school, and community in new and creative ways and draw closer to the Lord while serving.

“Follow Me My Sheep”

A Catechetical Talk

After the workshops, the presider will give a talk to the entire Kujenga community on how we can better recognize God's call and follow his lead. We will learn what the church teaches about discipleship and stewardship. There will be an opportunity for Q&A and follow-up discussions will be held in each family group after the catechesis.
