

NCYC is open to all Catholic high school age youth and their adult leaders. The majority of youth participants are 16-18 years old. They are often leaders in their local parishes, schools and/or diocese, though many are just beginning to connect to their faith. Some attendees may have participated in previous national or international events such as World Youth Day, Proud2BeCatholic, New England Catholic Youth Conference, or Steubenville Conferences, etc.

**Don't miss out on this great opportunity for your young people. Recruiting and fundraising ideas are available.**

NCYC brings together **20,000+ Catholic teens** and their adult leaders for an exciting, biennial four-day experience of prayer, community, and empowerment. The schedule includes general and concurrent sessions addressing a wide variety of topics including forgiveness, Catholic spirituality and prayer, global issues, sexuality, and leadership. There are also opportunities for liturgy and special activities such as concerts and exhibits.

The Dioceses and Archdioceses of New England (Region I) are making this pilgrimage together. Our young people will not only see the strength of the young Church across the country, but will share unforgettable faith experiences with youth from N.E..

**Package Includes**  
 4 nights lodging at Drury Inn and Suites Stadium, conference registration, breakfast and lunch each day, souvenir package, and transportation in KC.  
*(all registrants are responsible for the non-included cost of transportation to KC)*
